[11:24] <darksydephil> and yeah, out of all the liquor i bought for yesterday, santa's butt was the one i didn't drink LOL

[11:24] <darksydephil> by the way, anyone know if monster hunter is 30 or 60fps on ps4? im giong to guess 30

[11:25] <aquilak> honestly don't know
[11:25] <aquilak> and hey
[11:26] <wouldyoulikesomeballz> I imagine it's 30fps
[11:26] <aquilak> eeeew
[11:27] <wouldyoulikesomeballz> apparently it's 40fps on PS4 Pro performance mode judging by what I'm reading
[11:28] <zahvone> uh
[11:28] <zahvone> Monster hunter is variable
[11:28] <zahvone> In some cases it can be 60 fps, but for the most part I'm seeing it around 30, or 48 fps
[11:29] <wouldyoulikesomeballz> but it's 30 on base PS4 right?
[11:30] <zahvone> I have the base PS4. It goes from 30 to 60 60 sometimes, but that could have just been a flaw from the old beta.
[11:30] <zahvone> I would stick it to 30 or 48 at most.

[11:41] <kekon3> Btw, when you party up in the MH beta, they didn't have enough time to implement Friend invites so "lobby ID" is how you get into lobbies in the beta

[13:40] <skooma_dealer> LOL
[13:40] <kinggoken> thats not nice @mikehuntthedestroyer

[13:40] <majinboo3> thats all they know
[13:40] <skooma_dealer> this is BOR-RING
[13:40] <aquilak> ^
[13:40] <thedapperchangeling> Here's the trick: Phil knows where he's going, he's just running as far away from the fight as possible.
[13:40] <theycallmejimbob> dspPepe
[13:40] <mudai> the beta doesn't even show you what the full game will have to offer
[13:41] <malladath> the beta is a lot easier than the actual game too
[13:41] <sherrie92> @majinboo3 saids someone from ireland
[13:41] <dashiku> also phil doesnt know what to do so obv it looks more boring then it actuall yis
[13:41] <bobbi_ling> i been missing out on phil content. was watching LIS on youtube cause i loove when phil shits on it LUL
[13:41] <danielbargen> The monster should be on the top right tent
[13:41] <mudai> "I always liked monster hunter" then you should know that this beta is like showing only a fraction of the actual game
[13:41] <thedapperchangeling> Also, his fansquad is all terrible as well, so you don't even get any decent plays.
[13:41] <malladath> a very small fraction
[13:41] <skooma_dealer> LUL
[13:41] <bethelewd> jim 2-2 good game but you shouldve won oh well maybe you will win if you got a match on boxing day
[13:41] <pinkdam> if it's boring being played by an inexperienced player then that's not a very good advert for the game
[13:41] <katastrophe> How does Phil determine who plays with him anyway?
[13:41] <dkmariolink> @mudai or hes just a bandwagoner LuL

[13:41] <katastrophe> Does he have like a set squad?
[13:42] <bobbi_ling> wow beth is here
[13:42] <thedapperchangeling> Kat: Paytreon
[13:42] <thegodemperortrump> Whoever gives him the most money
[13:42] <theycallmejimbob> dspPepe BeTheLewd
[13:42] <mudai> @Dkmariolink yeah that's more likely LUL
[13:42] <skooma_dealer> mon nay
[13:42] <majinboo3> i mean how can you expect new players to buy a game if you need to sink 100s of hours to be good
[13:42] <majinboo3> thats obviously absurd
[13:42] <hypernuke6> hmm apprently fire is rathalos weakness. thats uses fire but whats logic in mh
[13:42] <bobbi_ling> and jimmay
[13:42] <skooma_dealer> and sluuuuurping

[13:42] <thesnake111> People have different interests anyway, and overall the Beta was received fairly well.
[13:42] <garbosis> naix is a f a g
[13:42] <bethelewd> jim 2-2 is a better match than chelsea 0-0
[13:42] <katastrophe> LUL
[13:42] <mudai> or like many other multiplayer games?
[13:42] <bethelewd> hey bobbi
[13:42] <bobbi_ling> flex them pandas
[13:42] <dkmariolink> the trail is at the top of the nest...

[13:42] <theycallmejimbob> TekkenPanda TekkenPanda TekkenPanda
[13:42] <wxrxaxtxh> EAT IT.

[13:42] <skooma_dealer> dspEw
[13:42] <majinboo3> too be honest the only people buying this are either monster hunter fans who know what they are getting into or people into grinding games
[13:42] <bobbi_ling> i heard beth is from birmingham.
[13:42] <dashiku> @dunno who told you that but they were wrong

[13:43] <majinboo3> Skooma i've already fallen asleep

[15:50] <pinkdam> why do you expect it to ignore you in full view so you can fiddle with your equipment? how dumb can you be
[15:50] <elipsion> @DarksydePhil This is suppose to be a challenge monster for the beta, the gear they give you in underleved for it

[15:52] <lutherkujo> dspNothing dspNothing
[15:52] <flexmastodon> @DarksydePhil make sure you charge your greatsword attacks, you're doing way less damage than you could be

[15:54] <luicast2007us> think i preferred this on the wii
[15:54] <inopss> 3 charge is best
[15:54] <sekander> imagine if you had to farm for that sword, and only did 5 damage per hit

[15:54] <eternia_forever> 98% of the games i have are from bestbuy, which i get 20% off every game i buy new from day one even

[15:54] <hypernuke6> how is it a waste of time??

[15:54] <kodykarls> cheer50 I wasn't able to make it to your Holiday special due to work, but Merry Christmas, Phil, stay jolly!

[15:54] <shega_ace> right but generally it's a hazard to get hit

[15:54] <theycallmejimbob> dspShock BeTheLewd dspPepe you can't be sneaky like deep

[15:54] <noedel> if diablo's doesn't spawn down that hole his spawn has been replaced by that chicken dinosaur, you need to re-host the mission for chance of him spawning again

[15:54] <hypernuke6> not really lol

[15:54] <bethelewd> jim deep taught me though

[15:55] * bethelewd is sneaky

[15:55] <menardigames> if Diablos isn't in that area, she didn't spawn so you got the chicken instead

[15:55] <flexmastodon> greatsword actually takes a lot of skill to play effectively. Phil would probably have more fun with a more beginner-friendly weapon

[15:55] <pinkdam> phil did best with the mallet I think

[15:55] <zeroknightblazer> what this group needs, is a good guide as a 4th player

[15:55] <hypernuke6> like a sas

[15:55] <shega_ace> i agree Flex

[15:55] <lucast2007us> has Phil ever played diablo??
